Mr. Cirian,

This e-mail is to notify you that you will be receiving a link to download the Final Phase II Site Characterization Sampling and Analysis Plan (Final Phase II SAP) prepared for the CFAC RI/FS.

The download link will provide the final version of the document, and also a red-line version of the document that presents all changes made since the submittal of the draft Phase II SAP. The final document has incorporated all responses to USEPA/MDEQ comments.

Please contact me if you have any questions regarding this submittal.
